PREDNISONE

Taper 40MG to 0 OVER 21 DAYS

After picking up your prescription from the pharmacy, take all the pills listed for DAY ONE together. On all subsequent days, take all the pills listed, in the morning, with a glass of milk or breakfast. Prednisone can cause an increase in appetite, stomach upset, or slight feeling of euphoria while on the medicine. It is very important to finish all the medicine as described below.

Total number of pills 98 of Prednisone 5 mg.

DAY:

- | | |
|-------------|-------------|
